10. **TRAFFIC ISSUES**

A. Discussion Regarding Parking on the Pavement (Streets) Within Hidden Hills

Present for this discussion with the Commissioners was Sgt. Phil Brooks from the L.A. County Sheriff's Department. The principal streets under discussion were John Colter, Lupin Hill, Clear Valley, Lasher, Hilltop, and Old Eldorado Meadow. Some of these streets have parkways, while some have no parkways, only curbs. Upon motion of Commissioner Zane, seconded by Commissioner Ulrich, and unanimously carried, it was agreed that signs be posted on these streets, except for John Colter and Old Eldorado Meadow, stating that parking is allowed only on one side of the street. Another possibility discussed was allowing no parking on any pavement throughout the entire City.

B. Discussion Regarding the Traffic, Lights, and Turning at the Intersection of Valley Circle Boulevard and Long Valley Road (Right by the Bridge)

It was noted that this area is in the City of Los Angeles and nothing can be done without further information as it is not within the jurisdiction of the City of Hidden Hills.

C. Round Meadow School Traffic

Sgt. Brooks reported on the idea of not allowing left turns into the center aisle of the parking lot when exiting the Round Meadow gate. Another idea was to move the teachers' parking to the center lane to eliminate traffic in that area. Upon motion of Commissioner Zane, seconded by Commissioner Ulrich and unanimously approved, it was agreed to have Chairman Doran schedule a meeting with the Sheriff's Department and the Las Virgenes Unified School District regarding the changing of the kindergarten starting time, and the additional traffic problems this will cause. The City will request extra Sheriff personnel on site for the opening of school in August.
