COMMUNITY CRIME PREVENTION TIPS

MARCH 2016

Neighborhood Safety Tips For Parents

Unfortunately no neighborhood is completely immune to crime. However, there are steps you can take to help keep your family and your neighborhood safe.

- **Know where your children are.** Have your children tell you or ask permission before leaving the house and give them a time to check in or be home. When possible, have them leave a phone number of where they will be.
- **Help children learn important phone numbers.** Have your children practice reciting their home phone number and address, and your work and cell phone numbers. Most of these numbers are on their cell phone speed dial and they don't know them.
- **Set limits on where your children can go in your neighborhood.** Do you want them crossing busy roads? Are there certain homes or shopping centers in your neighborhood that you don't want your children to go to?
- **Get to know your children's friends.** Meet their parents before letting your children to go to their home and keep a list of their phone numbers. If you can't meet their parents, call and talk to them. Ask what your children might do at their house and if they will be supervised.
- **Choose a safe house in your neighborhood.** Pick a neighbor's house where your children can go if they need help. Point out other places they can go for help, like stores, libraries, and police stations.
- **Teach children to settle arguments with words, not fists.** Role-play talking out problems, walking away from fist fights, and what to do when confronted with bullies. Remind them that taunting and teasing can hurt friends and make enemies.
- **Work together with your neighbors.** Watch out for suspicious and unusual behavior in your neighborhood. Get to know your neighbors and their children so you can look out for one another.
