

Long Valley Undergrounding Project

Week 15

January 11 – January 15

This project is to underground nine power poles and accompanying overhead wires along Long Valley Road between the Community Center and Little Hollow Road.

Trenching and repairing small area on Long Valley Road in front of the HHCA building. Asphalt repairs on Clear Valley Road and Hilltop Road will be completed. The block wall contractor will be working on two retaining walls on Long Valley Road.

There will be temporary road closures with flaggers. Please drive carefully in this area.
