

**Long Valley Undergrounding Project  
Week 6  
November 9 - 13**

This project is to underground nine power poles and accompanying overhead wires along Long Valley Road between the Community Center and Little Hollow Road.

Contractor will mobilize and deliver heavy equipment and materials. There will be excavators, dump trucks, cement trucks, and boom trucks working on Long Valley Road.

Primary work areas will be between the Community Center and Little Hollow Road. There will be temporary road closures with flaggers. Please drive carefully in this area.

**Las Virgenes Municipal Water District  
Jim Bridger Road Project  
November 9 - 13**

Construction is complete. Final punch list items will follow at a future date.

**Las Virgenes Municipal Water District  
Long Valley Road Project  
November 9 - 13**

Pressure testing and chlorination of the new water main will commence next week on Long Valley. There may be road closures with flaggers. Please drive carefully.
