A. Discussion Regarding CERT Responsibilities and Scheduling of Future CERT Meetings

Chairman Doran suggested rescheduling the proposed February CERT meeting, as he was going to be out of town, to March 27th from 9:00 a.m. to 12:00 noon. A CERT member list was provided to the Commissioners, who were each asked to call a portion of the members to see what classes they would like to take for further training. CERT members will be asked to help during the training exercise scheduled in Topanga Canyon on May 1st. The Commissioners discussed obtaining jackets for the CERT members, as there is money in the budget for this item. Commissioner Nussbaum will draft a letter to send to all CERT members urging them to get involved, after which each CERT member will be personally called by one of the Commissioners.
